

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! See if tongue is coated, breath hot or stomach sour.

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little stomach is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."—Advertisement.

Combing Won't Rid Hair Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight and by morning most, if not all, of your dandruff will be gone and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.—Adv.

Get Rid of That Persistent Cough

Stop that weakening, persistent cough or cold, threatening throat or lung affections, with Eckman's Alternative, the tonic and upbuilder of 20 years' successful use. 50c and \$1.50 bottles from druggists, or from ECKMAN LABORATORY, Philadelphia

LIFT LIGHT ORDER

Fuel Administrator Carey Now Takes Off War Ban.

Kansas Towns May Be Bright Once More.

Emerson Carey, state fuel administrator, today lifted lightless night orders as applied in this state. The order lifting the illumination ban, is effective immediately. Restrictions are placed only on extravagant or wasteful use of light—an offense not practiced in Topeka or in Kansas.

By virtue of Carey's order, street lights and illumination of buildings and exhibits may be turned on at once. In Topeka the white way lights and flood lights at the state house, have been in use several nights. The lights were permitted, however, as a special dispensation in view of the seven-in-one-drive. Carey's new regulation lifts the ban entirely and only in cases where an extravagant waste of light is shown, will conservation restrictions be enforced.

The lightless night order became effective more than a year ago. It was adopted as a war measure in the fuel conservation campaign. Recent announcement that coal production is now ahead of consumption and demand, tended to lessen restrictions. The signing of the armistice with Germany resulted today in the removal of the order against street, flood and display lighting, except in extreme cases of waste.

In an announcement addressed to county chairmen and committee-men, Carey said:

Effective at once Lightless Night order as covered by Circular 46 of July 22nd relating to the use and maintenance of lights in cities, villages and towns is hereby cancelled, and in lieu thereof the following regulations restricting the use in cities, villages and towns of light generated or produced by the use of fuel is established.

Section 1.—The extravagant or wasteful use of light generated or produced by the use of consumption of coal, oil, gas or other fuel for illuminating purposes, in the streets, parks, or other public places of any city, village or town, or for other outdoor illumination, public or private, is hereby prohibited.

Any person violating or refusing to conform to this regulation will be liable to the penalties prescribed in the act of congress approved August 10, 1917.

EMERSON CAREY,
Federal Fuel Administrator for Kansas.

MAKE THEM COME THRU

Home Guards Go After Delinquent War Drive Subscriptions.

Abilene, Kan., Nov. 15.—Well-to-do farmers who were reported as slackers in the united war work drive were visited by a delegation of home guards Thursday afternoon. Every one subscribed in full rather than be brought to the court house.

One who was abusive was assessed \$100 extra and paid it. The county's quota is half received.

Junction City Boy Wounded.

Junction City, Kan., Nov. 15.—John Vetsch, Jr., of this city, is in a base hospital in France, having been wounded in action about a month ago, according to a letter received by his father. A Red Cross nurse wrote the information, Vetsch's injuries preventing him from using a pen.
